Hi Hannah,

We'll coordinate a response to these locations through the UHRC. Does CD5 need to be looped in? Are any of these encampments in their district?

Thanks.

Brian

Hey folks,

There are a number of encampments that have spread onto Venice, east of the Globe/Tuller encampment between Inglewood and Beethoven. They are not very large, often 1-3 people max with a good number of unclaimed bulky items in between.

I'm reaching out to ask if the UHRC might be able to coordinate a series of rapid response and spot clean ups on the street? Below are the specific locations and photos are attached in the order I mention the encampments.

- Venice/Colonial
- Between 12420 and 12440 Venice
- Grandview / Pacific Behind Post Office
- In front of Mar Vista Library
- Parking lot of Mar Vista Cleaners - 3831 Grand View Blvd, Los Angeles, CA 90066
- Grandview and Venice (on Eastside of Grandview)
- 11942 Venice (near Marcasel and Venice)

Please let me know.

Many thanks,  
Hannah
